Sir:

Pursuant to Applicants' duty of disclosure under 37 CFR §§ 1.97 and 1.98, enclosed is a Form PTO-1449 that lists fifty-four (54) references in reverse chronological order. Based on the Office's waiver of the requirement under 37 C.F.R. § 1.98(a)(2)(i), Applicants have not submitted copies of the U.S. patents and patent applications cited on the Form PTO-1449. In addition, the foreign patent documents were either cited by the Examiner or submitted by Applicants during the prosecution of the parent application no. 09/833,598. Copies of these foreign patent documents will be submitted on request by the Examiner.

It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of the attached Form PTO-1449.

No fee is believed to be due for this submission, since it is being made before an initial Office Action on the merits of the above-identified application.
